THE ASSASSIN UNKNOWN

A Colored Youth Accidentally Kills
Himself—North Carolina Car Com-
pany Adjudged a Bankrupt—An Ovi-
sch Farm to Be Started at Ashe-
ville—State Board of Agriculture—
New Commissary General.

Raleigh, N. C., May 30.—A dispatch from Kinston says: Mr. J. H. Tweedy, a married white man, aged about twenty-five, on returning from Kinston to the logging camps of the Gray Lumber Company, about twelve miles from Kinston, where he was employed, was shot Saturday night, about 11 o'clock, from ambush by an unknown assassin, and died in about three hours, before a physician could be obtained. He was shot with buckshot from a gun. Before Mr. Tweedy died he stated that Windal Taylor killed him; that as the moon was shining bright he could tell the man. The only motive that the act could be attributed to was that there seemed to have been some trouble between them concerning a woman.

ACCIDENTALLY KILLED.
Henry Wolfe, colored, aged about seventeen, was out hunting Saturday afternoon, and while getting over a fence his gun was accidentally discharged, the lead taking effect in his forehead, from which wound he died in a short while.

CAR COMPANY BANKRUPT.

The North Carolina Car Company was yesterday adjudged a bankrupt. It was held by Judge Funnell in his decision that under a deed of trust made by the Car Company in April, 1897, 1898, Chambers Smith and Charles H. Bell, trustees, can sell the property conveyed in that deed, and the bankrupt court will take no cognizance of it. But as to the property conveyed by deed of March 18, 1899, the company is held as a bankrupt, and evidence will not be permitted to show solvency of the company.

The effect of the decision is that Smith and Bell, trustees, are permitted to act under the order of the Superior Court of Wake county, and the deed of trust of 1897, but the Federal Court under the bankruptcy act takes charge of the property conveyed by the deed of trust of 1899 and distributes the proceeds accordingly.

AN OSTRICH FARM.

Asheville is about to add an ostrich farm to its industries. Mr. A. Y. Pearson, who has of late years conducted an ostrich farm in California, will establish it. The farm will be located in Rameoth. Mr. Pearson having purchased for the purpose a six-acre tract of land. The Gazette says the farm, which will be established by Mr. Pearson, is to be included in the feather trust, which was some time ago organized in New York.

BOARD OF AGRICULTURE.

The State Board of Agriculture at its meeting Thursday will not only elect officers, but it will probably dismiss at once some of those now in office, especially those who were most active in the recent looking-out of the new board. All the fertilizer inspectors, except Kelly and Dorch, who are regular inspectors elected by the old board, were dismissed from service on May 1st. This was done at the decision of the new board when the suit was brought to test the validity of the board's election by the Legislature.

THE PENITENTIARY BONDS.

The \$10,000 of penitentiary bonds recently sold by the State to the Washington Loan and Trust Company, will be delivered by State Treasurer Worth to Mr. F. H. Fries, president of the company, on June 8th. Mr. Fries will be here on that day to read a paper before the Bankers' Convention. The American Bank Note Company, which is preparing the bonds, has been notified to have them here by that time.

COMMISSARY GENERAL.

The Governor yesterday, through the Adjutant-General, appointed and commissioned Zeffie P. Smith, of Raleigh, as Commissary-General of the North Carolina State Guard, with the rank of Colonel.

The appointment is made to fill a vacancy caused by the resignation of Colonel S. S. Batchelor.

Colonel Smith has long been a member of the Governor's Guard of this city. When the Spanish war broke out and troops were called for he volunteered with his company and went into service as second lieutenant. He was soon appointed commissary of his regiment (First North Carolina), which position he filled with distinguished credit until the regiment was mustered out some two months ago. In the meantime he had also won promotion in his company to first lieutenant, which position he now holds.

The appointment will be received with approval by Guardsmen throughout the State.

NEW BERN

New Bern, N. C., May 30.—The marriage of Miss Lela M. Tucker and Lieutenant D. F. A. De Otto took place Monday afternoon at 5 o'clock at St. Thomas' Episcopal Church, Washington City, and was witnessed by a small company of relatives. The bride, who is the daughter of Mrs. Mary A. Tucker, of 1225 Connecticut avenue, of that city, was escorted by her half-brother, Mr. George H. Evans, while Mr. Charles Cowles Tucker acted as best man. Rev. John Aspinwall, D. D., rector of the church, officiated. The bride looked particularly pretty in a plainly-made gray cloth traveling gown, opening over a bodice of white liberty silk. She wore a wide-brimmed straw walking hat, with scarf of white silk. There was no reception, the young people receiving the congratulations and good wishes of their friends at the church and later starting for this City, where Lieutenant De Otto, who is an officer in the United States Revenue Cutter Service, is now stationed. They arrived to-day.

Teachers Assembly Notes.

Arrangements have about been completed to have the First North Carolina Regimental Band at the Teachers' Assembly June 13th to 18th. The presence of the band will attract hundreds to Morehead City.

The management of the Atlantic Hotel reports that scores of inquiries are pouring in asking for rooms, information, etc. All who attend will be granted the reduced rate on railroads and hotels by presenting a certificate, which they can secure from the secretary of the assembly after arrival at Morehead.

Those who intend going to the Summer Schools at Wake Forest and the University can stop over on their return and this makes the assembly tickets answer both purposes. The ticket allows this stop over for the entire summer school.

Prof. O. A. Betts and a party of teachers from Morganton will be among the many who attend from the West. Many of the Asheville parties have written that they would attend.

Scores who are not teachers will avail themselves of the kindness of the assembly officers, which will allow friends of the profession to attend upon the reduced rates.

ELIZABETH CITY.

An Old Boundary Line Dispute
Settled by Arbitration.

Delegates to the Quarterly Conference Elected—U. S. Court Records—
Teachers Off on a Merited Vacation—
Licensed to Preach—Death.

(Special to Virginian-Pilot.)

Elizabeth City, N. C., May 30.—The dispute that has been existing for the last eighteen years between Mr. W. L. Walker and Elihu Harriss over the boundary line between their farms in which much feeling has been manifested and personal difficulties at times narrowly averted, has been settled to the great relief of their many friends. A short time ago both parties agreed to submit their respective claims to arbitration, and Messrs. Evan Pritchard, J. B. Leigh and Nathan Parker were selected to adjust matters. They met on the premises with Surveyor W. P. Pritchard and established a line in accordance with the old deeds and thus put an end to the feud between the two families.

QUARTERLY CONFERENCE.

At the quarterly conference in the Methodist Church last night, Messrs. M. B. Cuipepper, H. O. Hill, C. E. Kramer and B. F. Spence were appointed delegates, and Messrs. P. S. Shipp, Z. L. Fearing and J. A. Kramer, alternates to the district conference, which will be held with the church at Mantoloking Island, beginning on the 14th of June.

Deputy Clerk of the United States District Court, by permission of the Board of Commissioners, has had the records and equipments belonging to his office removed from the treasurer's office, where they have been kept for the last fifteen years, to another room on the opposite side of the courthouse, and a large iron safe put in for the better protection of the records.

DEATH.

Mrs. L. L. Winder received a telegram yesterday notifying her of the death of her sister, Mrs. James Gladstone, of Eastern Shore, Virginia. She and her son, L. T. Winder, left on the afternoon train to attend the funeral.

PERSONAL.

Mrs. S. S. Barcliff and children left yesterday for Norfolk to spend about a month with her father, Mr. J. C. Barcliff.

Miss Linda De Son and Miss Clinnie Cartwright, assistant teachers in the Elizabeth City public school, having finished an eight months' term of faithful work, will leave to-day for their regular summer vacation. Miss De Son will go first to Trenton, N. C., to attend the closing exercises of Trenton High School, where her special friend, Miss Lizzie Baker, is assistant teacher, and from there to Morehead. Miss Cartwright will spend a while in the country with friends, gathering blackberries along the hedgerow and chasing the butterfly among the wild jessamine.

Miss Myrtle Jackson, of Kansas, is visiting her uncle, Mr. William Overman, on Bell street.

LICENSED TO PREACH.

At the third quarterly conference of the Methodist M. E. Church last night Mr. W. V. Wheeler, of this city, was granted license to preach. The presiding elder was absent on account of sickness and the pastor, Rev. C. F. Hunter, presided. He reported much interest in the services of his church—large congregation and eight or ten conversions Sunday night without any special effort.
